

MEMORANDUM FOR:

Approved For Release 2009/04/15 : CIA-RDP84G00457R000100130019-4

STAT

Registry has receipt showing that [redacted] PBC,
took the ADP material to them for wrapping. They have
no receipt returned from SSCI.

STAT

Checked with PBC who says that it was wrapped per their
instructions and that [redacted] hand carried it to Hill.
I've looked through your second drawer - thought maybe
the receipt might have gotten tucked away, but no luck.

STAT

Can we call SSCI Registry and have them check?
